No. 8295/609 Office of the Inspector General of Police in Mysore,

Dated Bangalore, the 20th/22 May 1919.

Offg. Inspector General of Police in Mysore.

To

C. S. Balasumdaram Iyer, Esquire, B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore.

Sir,

I have the honor to state that the cash etc., with the several Superintendents of Police are now being deposited in teak wood boxes supplied from this office or in small tin cash boxes. After the transactions of a day are over, the above receptacles are in some places being handed over to the Treasury and in some places are kept under Police guard. Whenever the box is required it is sent for from the Treasury. This procedure is causing much inconvenience for transactions on Sundays or other authorised holidays, as money is often received on such days through rahadaris from subordinate offices and advances have to be given for men proceeding on various urgent duties. Such transactions as proceeding to Bangalore or elsewhere for escorting prisoners, carrying parcels to the chemical examiner's office, necessitate the keeping of the cash chest at hand to avoid delay and inconvenience.

2. All the Superintendents of Police are urging for the supply of an iron safe for keeping the money and valuables that may be received from courts. I am of opinion that the safes are necessary. The number of safes required is about 11 and the cost which is estimated as Rs. 5,000/- may be met from "Lapses and Surrenders" of the Department in the current year.

I therefore request that you may be so good as to obtain the
